About Me

An adaptive and dynamic software engineer with admirable expertise in frontend (HTML, CSS, ReactJS, Redux, JQuery, Bootstrap) and backend (Django, Flask) with connectivity to databases (MySQL, MongoDB). After working as a web editor and being an undergraduate teaching assistant, I opted to transition my career path and thrive in the field of MERN stack development. I am also proficient with a solid grasp of programming languages, including C++, Python, and JavaScript.

Experience

- Undergraduate Teaching Assistant**
Computer Science and Engineering Department
East West University (2021 - 2022)
- Front-End Developer**
Web Development Team
Exceeded IT (2022)
(Website: <https://rb.gy/aovn6>)

Projects

1. Frontend:

- Movie Website Clone using ReactJS (<https://movie-project-react-js.vercel.app/>)
- Live Portfolio Project using ReactJS, SCSS. (Link has given)
- Basic Book Management with CRUD using ReactJS (Link: <https://effervescent-lokum-46f6bd.netlify.app/>)
- Quiz App using ReactJS (<https://ryansquiz.netlify.app/>)
- Food Recipe App using ReactJS (GitHub: <https://rb.gy/nn0s2>)
- Company-Based Website using JQuery, HTML5, and CSS3. (Link: <https://tubular-starlight-3fc755.netlify.app/>)
- Responsive Web Designing using Bootstrap and CSS (Flexbox). (<https://respweb.netlify.app/>)

[Visit Github for more projects (<https://github.com/RyanMohammad18>)]

2. Backend:

- Blood Donation Website Project by using HTML5, CSS, Python Django framework & MySQL database. (GitHub: <https://rb.gy/ja7e8>)
- E-commerce website project using Python-Flask, MongoDB (<https://rb.gy/5xzrs>)
- Freelancing Website Project using Django, Tailwind CSS, HTML5.(<https://rb.gy/n7fe2>)

Extra-Curricular Activities

- Web-Master**
IEEE East West University SB
(2021 - 2022)
- Senior Member**
Rotaract Club of East West University
(2021)

Publications

- Maimuna Akter Liza', 'Alfe Suny', 'Ryan Mohammad Bin Shahjahan', '*Ahmed Wasif Reza' and '*Mohammad Shamsul Arefin', (2022). Conference Paper Title. "Minimizing E-Waste Through Improved Virtualization". ICO2022 Conference On Springer.
